Circumstances:

On Sunday, November 28, 2004 at approximately 2:25 ~~PM~~ ^{AM}, a white male entered the 7/Eleven Convenient store located at 3 North Main Street in the town of Marlborough, Connecticut. While in the store he purchased several items placing them on the counter as if to pay. Then the white male displayed a weapon demanding money. The attendant handed over an undetermined amount of cash, at which time the male fled the store with the cash and items placed on the counter. The attendant ran outside after the perpetrator and observed him jump into the passenger's side of the vehicle as it fled. The attendant was able to obtain the registration plate of the vehicle as it fled the area. No injuries were sustained by the attendant.

With the registration information obtained from the vehicle a broadcast was put out to the police departments within the state of Connecticut with a description of the white male robbery suspect. At approximately 3:21 AM, Newington Police Department had the vehicle an older 1987 Olds Cutlass Station wagon stopped on Cedar Street at the intersection of the Berlin Turnpike. The suspect and driver were detained until the witness was able to positively identify the suspect who robbed the store as well as the vehicle they fled in.

Arrested were Robert Dyden for committing the robbery and Brian Dube for operating the vehicle. A check of the wanted persons(s) on both revealed that Dube was wanted on a Remand to Custody warrant issued by the Department of Corrections.

Both were charged and detained on a set bond then transported to Corrigan Correctional Center pending their arraignment in Manchester Superior Court, 410 Center Street in Manchester, Connecticut on Monday, November 29, 2004 for 9:30 AM, to answer to the charged against them.
